Barre portatutto in alluminio

Aluminium roof rack

Barre portatutto per veicoli commerciali in alluminio, dall'aspetto minimalista, sono composte generalmente da due canaline e due barre con relativi supporti. In funzione della lunghezza del veicolo possono essere inserite più barre sulle stesse canaline. Inoltre abbiamo a disposizione una serie di accessori per soddisfare varie esigenze di carico (nella foto qui sopra è mostrato l'accessorio portatubi).

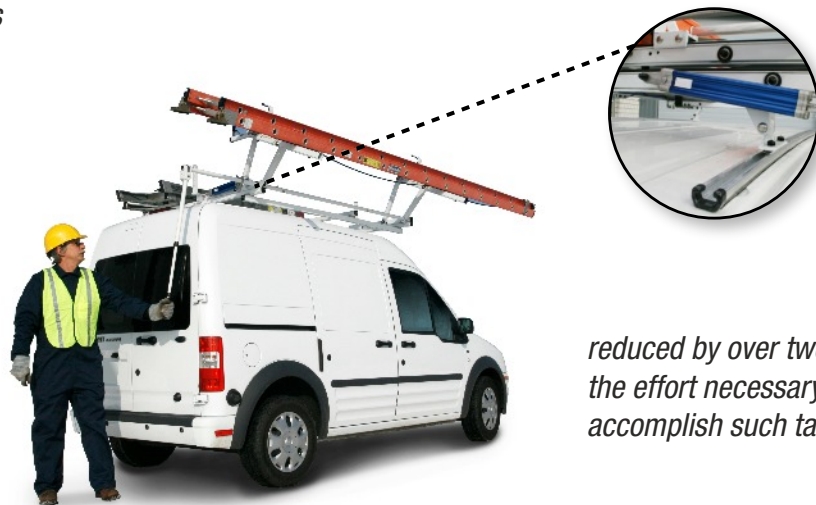

Roof rack for commercial vehicles manufactured in aluminum, looking minimalist, are usually consisting of two channels and two bars with their supports. Depending on the length of the vehicle can be inserted more bars on the same channels. We also have a range of accessories to meet various loading requirements (in the picture above is shown the conduit tube accessory).

Sistemi portascale ergonomici

Ergonomic ladder carrier systems

Questo sistema permette la rimozione ed il fissaggio rapido delle scale da terra, e grazie al sistema ergonomico si riduce di oltre due terzi lo sforzo necessario per

This system allows to easily lift up and down the ladders from the ground, and thanks to the ergonomic system is

reduced by over two thirds the effort necessary to accomplish such tasks.

Versione semplice con gancio ad azionamento manuale. Per scale fino a 55 kg di peso.

Simple version with hook used to assist operator to control the ladder movements. Suitable for ladders up to 55 kg.

Versione con rotazione laterale, adatta per veicoli con tetti alti e scale fino a 35 kg di peso.

Version with side lift, suitable for vehicles with high roof and ladders up to 35 kg.

Versione con rotazione laterale inclinata, adatta per tetti alti e scale fino a 55 kg di peso.

Version with side lift in an inclined position, suitable for vehicles with high roof and ladders up to 55 kg.

Pannellatura in alluminio anodizzato (disponibile anche in acciaio inox o legno)

Anodised aluminium wall-panel (also available in stainless steel or wood)

Pannellatura in lamiera preverniciata

Pre-painted sheet metal wall-panel

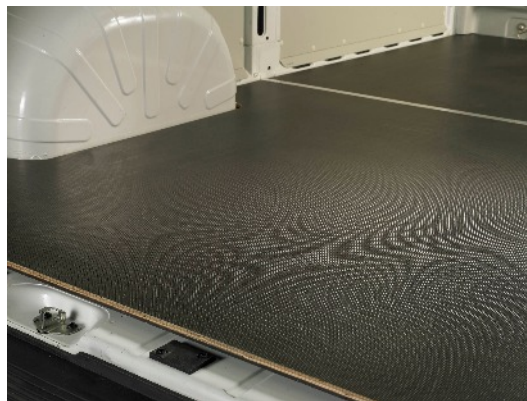

Disponibili in vari spessori e materiali e realizzati su misura del vostro veicolo

Available in different thicknesses and materials and custom made for your vehicle

Pianale fenolico - spessore 9 mm (12 mm su richiesta)

Phenolic floor-panel - thickness 9 mm (12 mm on request)

Rampa di carico

Loading ramp

Rampa di carico con piastra grigliata, dotata di pistoni per agevolarne il sollevamento. Colore rosso RAL 3000.

Ramp with expanded mesh, with pistons for an easy lift. Powder red RAL 3000.
